# HEAR THE WORD Mark 2:1-12 The Paralytic

#### Main Point:

Jesus views our relationship with him to be the most important thing.

- 1. These four friends went to great lengths for their friend. Why?
- 2. Why does Jesus address the sin issue instead of the obvious problem?
- 3. Jesus thought his relationship with God was a Crucial Relationship that needed to be fixed. His friends were key in helping him find healing for that.
- 4. Let's look at two important points of view in this story:
  - a. From the Paralytic: What needs fixed in your relationship with God?
- b. From the Friends: What risks are you willing to take with your friends to introduce them to Jesus?
- 5. Take a minute and ask Jesus to reveal in your own life where he wants to go deeper with you, and invite you to take risks this week with your friends.

### **RESPOND ACTIVELY**

## Challenge:

Participate in the proxe station this week. Be open to Jesus teaching you something, not just going through the motions

- 1. Talk to someone that you wouldn't normally.
- 2. Pray for boldness and courage to talk with your peers.
- 3. Share yourself about how God is working in your life as well.
- 4. Make an invitation. Don't let people walk away without having invited them to:
  - a. Follow Jesus
  - b. Come to SG/LG
  - c. Grab lunch one day, etc.

### **DEBRIEF & INTERPRET**

Next Leadership Meeting (Group/One-on-One)

- 1. How did the proxe station go for you? Did you get to talk to people you didn't expect?
- 2. How did you experience Jesus in your interactions? What did he show you about himself? Yourself? Others?
- 3. What did you learn about how God and the gospel fit into every day topics like our relationships?
- 4. How did your perspective change throughout the experience? Would you like it to change further?
- 5. How has follow-up gone? What's the next step? And how can we encourage you?
- 6. Let's pray about those next steps and ask Jesus to lead us.

# **EXPAND THE INFLUENCE**

Follow-Up Discipleship Cycles for Momentum

- Mark 2:13-17, Eating with Sinners-Who do we have a hard time identifying with? What would it look like to grab lunch with someone you would normally avoid?
- Luke 14:15-24, The Great Banquet Who don't we normally invite to our group? How can we be more proactive in including them?
- Luke 19:1-10, Zacchaeus-Invite non-Christians to lunch and pray for opportunities to introduce them to Jesus
- John 1, Come and See-invite a younger believer along to share the experience of doing a proxe or lunch on the fringe. Help them to meet Jesus in the process.
